

### Table 3 - Percentage of Students in Bottom National Quarter

The DoDEA Community Strategic Plan has established the goal that 7% (or less) of students will perform in the bottom national quarter (Percentiles 1-25) on the TerraNova by SY 2011. Highlighted values meet or exceed the DoDEA goal of 7% or less in the bottom national quarter.

Please note the 2009 results reflect a different version of the TerraNova Multiple Assessments. Comparisons between 2009 and previous years are discouraged.
